

## LEAN TEAM DEVELOPMENT

### TRACK ACTIVITIES

- Easily track and capture lean activities from Kaizen participation to benchmarking to teaching and training.

**Add New Benchmarking**

Minor Kaizen Title

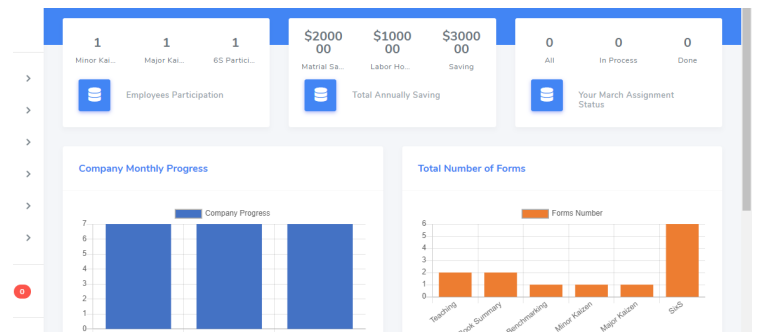

What is the Observed Issue? Identified Root Cause?

Proposed Solution(s) Have You Implemented the Proposed Solution(s)?

Material consumption current state (UoM) Material consumption Future state (UoM)

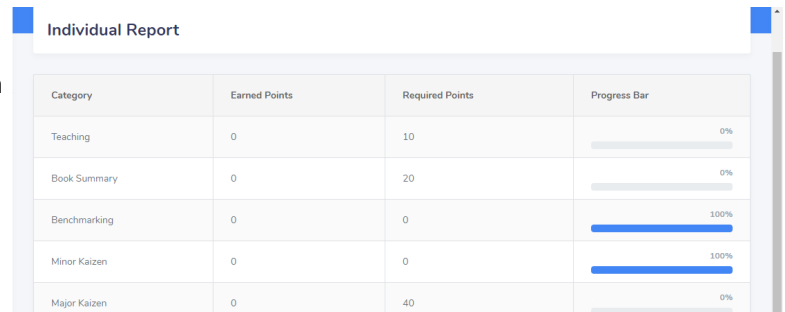

### MEASURE IMPACT

- Intuitive dashboard allows managers and frontline employees to see the impact of their work.
- Monitor participation in lean activities across your business.

### CREATE A CULTURE

- Create a culture of lean thinking by creating a lean certification program unique to your business.
- Set standards and encourage participation in lean activities.

**Individual Report**

Category	Earned Points	Required Points	Progress Bar
Teaching	0	10	0%
Book Summary	0	20	0%
Benchmarking	0	0	100%
Minor Kaizen	0	0	100%
Major Kaizen	0	40	0%
